

Award Rules „Ruhrgebiets Burgendiplom“ (Ruhrdistrict Castle Award)

The German Amateur-Radio-Club, local group Oberhausen (DOK L 18), is issuing this award, which is eligible for hams and short wave listeners.

Valid are all contacts made after the 1st of January 2007 with portable (/p)-stations, which are or were located within a radius of max. 500 meters of a castle in Ruhrdistrict

Every castle is tagged with a number „Ruhr-Burgen-Nummer“ (RBN) which means Ruhr Castle Number. The RBN-number must be printed, stamped or written in clear script on the qsl-card by the operators of the /p-stations .

You can get a list with the RBN-numbers from the award manager (with SASE).

For the award application every castle-number is valid only once, regardless of the band.

For the award application are needed for:

- DL-Stations: 7 different RBN-numbers
- other EU-Stations: 5 different RBN-numbers
- DX-Stations: 3 different RBN-numbers

You can apply for the award in every mode (except packet radio and Echo-Link), also mixed.

With the right proof you can get the award also for a single mode or a single band.

You can send the award application with a list of the qsl-cards (confirmed with the signature of a fellow ham) (GCR-List) and the fee of 7 Euro (for DL-Stations) or 10 Euro / 13 US-Dollar (for EU- and DX-Stations) to the following address:
